DRMUDHIWALLA HEALTHTECH PRIVATE LIMITED Company domiciled in India and incorporated under the provisions of the Companies Act, 1956 / 2013. The Company is engaged in business of providing comprehensive medical practice activities, focusing on delivering high-quality healthcare services to individuals across diverse demographics. This includes the establishment and operation of clinics and medical offices that facilitate consultations, examinations, and treatment plans across various specialties.

Note No. 2

Significant accounting policies

2.1) Basis of Accounting : The financial Statements of the company have been prepared in accordance with the Generally Accepted Accounting Principles in India (India GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2021. The financial statements have been prepared on an accrual basis and under the historical cost convention. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Presentation and Disclosure of Financial Statements : The financial statements are prepared and presented in the form set out Schedule III of the Companies Act, 2013 so far as they are applicable thereto. The previous year figures are regrouped wherever necessary. These financial statements are presented in Indian rupees and rounded off to nearest Thousands unless otherwise stated.

Disclosure relaxation: The Company is a Small and Medium Sized Company (SMC) as defined in the General Instructions in respect of Accounting Standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014. Accordingly, the Company has complied with the Accounting Standards as applicable to a Small and Medium Sized Company (SMC). Accounting Standard 3- Cash flow Statements, Accounting Standard 17 – Segment Reporting, are not applicable to the Company. Further, certain disclosure requirements in terms of Accounting Standard 15 (revised) – Employee Benefits, Accounting Standard 19 – Leases, Accounting Standard 20 – Earnings per Share, Accounting Standard 28 - Impairment of Assets and Accounting Standard 29 - Contingent Liabilities and Contingent Assets are also not applicable to the Company for the current year.

Use of Estimates : The preparation of financial statements in conformity with Indian GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities as of the date of the financial statements. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revisions to the accounting estimates are recognized prospectively in the current and future years

2.2) Current and Non-Current Classification : All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has determined its operating cycle as twelve months for the purpose of current-non-current classification of assets and liabilities.

2.3) Prior Period and Extra Ordinary Items (AS – 5) : Prior Period and Extra Ordinary items having material impact on the financial affairs of the Company are disclosed, wherever applicable. There is no major deviation in the accounting policy during the current year.

2.4) Revenue Recognition (AS - 9) : The Company recognizes the revenue in accordance with the Accounting Standard 9, Revenue is measured at the fair value of the consideration received or receivable and represents the amounts receivable for goods and services provided in the normal course of business, net of discounts, returns, rebates and sales-related taxes.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rates applicable. As per the information given to us, company does not have any undisclosed income.

All the income has been booked in the books of accounts of the company. Company does not have any proceedings under Income Tax Act 1961."

2.5) Property Plant Equipment (AS - 10) : Property, Plant and Equipment are stated at historical cost, less accumulated depreciation. The cost of an item of Property, Plant and Equipment comprises its purchase price, including import duties and other taxes or levies non-eligible for claiming as input tax credit and any directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of Property, Plant and Equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing Property, Plant and Equipment, including day to day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenditure is incurred.

Depreciation on Property, Plant and Equipment has been provided using the written down value method as per the useful life's prescribed under Schedule II of the Companies Act, 2013. Depreciation on assets acquired/sold during the year is recognized on pro-rata basis in the statement of profit and loss from the date of acquisition or till the date of sale.

Type of Assets	Period
Buildings	30 Years

Computer	3 Years
Furniture & fittings	10 Years
Office Equipment	5 Years
Vehicles	8 Years

Intangible Assets : Intangible Assets are amortized over the respective individual estimated useful lives on a straight-line basis, commencing from the date of asset is available to the Company for its use. Product development cost incurred for Manpower cost, Technical fees/software and other related expenses for the development of process for delivery of services to the clients. Intellectual property development costs are capitalised and amortised over the period of five years. Development expenditure, where it meets certain criteria given below, is capitalized. Development costs not meeting the criteria for capitalization are expensed as incurred.

An intangible development asset is recognized only if all of the following criteria are met:

- i) The development costs are separately identifiable;
- ii) The development costs can be measured reliably;
- iii) Management are satisfied as to the ultimate technical and commercial viability of the project; and
- iv) It is possible that the asset will generate future economic benefits.

Intangible asset under development : The cost of internally generated intangible asset comprises all expenditure that can be directly attributed, or allocated on a reasonable and consistent basis, to create, produce, and make the asset ready for its intended use. The cost includes expenditure on services used or consumed in generating the intangible asset, the salaries, wages and other employment related costs of personnel directly engaged in generating the asset, overheads that are necessary to generate the asset and that can be allocated on a reasonable and consistent basis to the asset."

2.6) Investments (AS - 13) : Investments are classified into long-term and current investments based on the intention of the management at the time of acquisition. Long-term investments are stated at cost less provision for diminution in value other than temporary, if any Current investments are carried at cost or fair value whichever is lower.

2.7) Employee Benefits (AS – 15) : i) Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related services are rendered.

ii) Post-employment and other long-term employee benefits are recognized as an expense in the Statement of Profit and Loss for the year in which employee has rendered services. The expense is recognized at the present value of the amounts payable determined using actuarial valuation techniques as computed by the management. Actuarial gains and losses in respect of post -employment and other long-term benefits are charged to the Statement of Profit and Loss."

2.8) Borrowing Costs (AS - 16) : Borrowing costs that are attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognized as an expense in the period in which they are incurred

2.9) Segment Reporting (AS – 17) : The Companies operations with only single line of business and the company's operations are predominantly within India and, accordingly policy for the standard is not warranted.

2.10) Earnings per share (AS - 20) : Basic EPS is calculated by dividing the net profit or loss after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is calculated on the same basis as Basic EPS, after adjusting for the effects of potential dilutive equity shares unless the effect of the potential dilutive equity shares is anti-dilutive.

2.11) Provision for Current Tax and Deferred Tax (AS – 22) : Income Taxes are computed using the tax effect accounting method where taxes are accrued in the same period that the related revenue and expenses arise. A provision is made for income tax annually based on the tax liability computed, after considering tax allowances and exemptions in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. Deferred tax asset is recognized and carried forward only to the extent that there is virtual certainty that the asset will be realized in future."

2.12) Impairment of assets (AS – 28) : An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss recognized in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

2.13) Provisions, Contingent Liabilities and Contingent Assets (AS – 29) : A Provision is recognised if, as a result of a past event, the company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent Liabilities are disclosed by way of notes on the Balance Sheet. Provision is made in the accounts in respect of those contingencies which are likely to materialize into liabilities after the year end, till the finalization of accounts and have material effect on the position stated in the Balance Sheet"

2.14) Foreign exchange transactions

a) Initial recognition

Transactions in foreign currency are recorded in the functional currency by applying to the foreign currency amount the exchange rate prevailing on the date of the transaction.

b) Conversion

Monetary items denominated in foreign currency as at the Balance Sheet date are converted at the exchange rate prevailing on that date.

c) Exchange differences

Exchange differences arising on the settlement/ restatement of monetary items at the rates different from those at which they were initially recorded during the year or reported in the previous financial statements, are recognised as income or expense in the year in which they arise.
